Summary

The TRICARE Retiree Dental Program (TRDP) is a voluntary group dental insurance program administered by the Federal Government Programs division of Delta Dental of California under contract with the U.S. Department of Defense. The TRDP is sustained entirely by enrollee-paid premiums and offers comprehensive dental benefits to retired members of the seven Uniformed Services and their families as well as members of the National Guard and Reserve components who are in Retired Reserve status, regardless of their age (including those in the “gray-area” who are under age 60) and their family members. Medal of Honor recipients and their eligible family members, unremarried surviving spouses and eligible family members of deceased recipients, and unremarried spouses and children of deceased retired service members or service members who died while on active duty for more than 30 days are also eligible for the TRDP. Additionally, the TRDP is available to family members of certain non-enrolled retirees under limited circumstances and with required documentation.

Frequently Asked Questions

Q. Is my family eligible for the TRICARE Retiree Dental Program?

- A. To find out who is eligible for the TRDP, go to the [TRICARE Retiree Dental Program](#) website. Select “Prospective Enrollees” at the left. From there, click on “Program Overview” and scroll down to “Eligibility,” where you will find detailed information to help you determine your eligibility and that of your family members.

Q. How do I enroll my family in the TRICARE Retiree Dental Program?

- A. You may enroll yourself and your eligible family members at the same time using the online enrollment function on the [TRICARE Retiree Dental Program](#) website. Follow the instructions provided above for enrolling in the TRDP online; you will note there is a section on the online enrollment application form that you will need to complete to enroll your spouse and eligible children in the TRDP.

Q. Where can I find a dentist that accepts TRICARE Retiree Dental Program patients?

- A. The TRDP offers an expansive network of dentists in over 150,000 locations nationwide. To find a TRDP network dentist, go to the [TRICARE Retiree Dental Program](#) website and click on “Prospective Enrollees” at the left. Select “Dentist Search” from the pull-down menu and enter the required information as prompted to locate a participating TRDP network dentist near you.
